3083. SHRI GAYA SINGH : Will the PRIME MINISTER be pleased to state :

(a) whether Government have made any critical study for the sickness of the Sindri Unit of the Fertilizer Corporation of India limited ;

(b) if so, whether it is a fact that Sindri Unit has incurred losses because of delay Jind in decision on the part of the Administrative Ministry ;

(c) whether it is fact that on an investment of a few hundred lakhs of rupees Sindri Unit can be made viable; and

(d) if so, the reasons for not taking an early decision in this regard ?

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS. AND FERTILIZERS (SHRI EDUARDO FALEIRO) : (a) and (b) Government has been continuously monitoring the performance of Sindri unit of the Fertilizer Corporation of India Ltd. (FCI). In the Sindri unit, which came into production in 1951. Some old plants were phased out in 1978 and two new plants named Sindri Modernisation Plant (SMP) and Sindri Rationalisation Plant (SRP) were completed in 1979. The SRP was written off in 1988 due to uneconomical functioning. Equipment problems, power supply limitations and liquidity problems are the main reasons for losses in the Sindri unit.

(c) and (d) FCI is implementing a revamping scheme for Sindri unit at an estimated cost of Rs. 16.23 crores, in cluding a provision of Rs. 10.078 crores for revamping of its Captive Power Plant. FCI has already spent Rs. 4.46 crores on the Scheme, FCI has also a scheme estimated to cost of Rs. 33.30 crores for modernising their Sindri plant. In view of the budgetary constraints, it has not been possible to take up FCTs proposal for a new Captive Power Plant of 2x19 MW capacity at an estimated cost of Rs. 142.64 crores. In the mean time, FCI has been declared a sick company by the Board for Industrial and Financial Reconstruction (BIFR) under the Sick Industrial Companies (Special Provisions) Act, 1985.
